2 350 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Width : 44 cm

Diameter : 33 cm

Height : 130 cm

Depth : 44 cm

Description

Pair of carved gray white lacquered wooden stands. The upper part sculpted with drapery and stylized ermines, rests on scrolls of acanthus leaves. It is topped by a circular platform 33 cm in diameter. The lower part has the classic structure of a large sheath. In a perfect state. Period : second half of the 19th century. This pair is strictly identical to that of my other publication : they can constitute an interesting set of four.
