surmounting the M), Controller 1st class from July 1798 to February 1809.

The scabbard is made of black patent leather without underpads with three brass fittings cut into a brace. The bouterolle includes the small spherical steel dart conforming to the An XI - An XIII model.

NB: the blades were engraved Manufacture Impériale from January 31, 1806. The manufacture of this saber can therefore be dated from February 1806 to August 1806.
