Description

Spectacular "cascade" chandelier, composed of a brass rosette from which 51 chains descend (also in brass), each connecting one or two clusters of 4 mouth-blown Murano glass bubbles (transparent and amber). In total, just over three hundred pieces of glass adorn this chandelier. Edition from the 70s probably from the "Tulipan" series by Kalmar or entourage of Gino Vistosi in Murano. 4 bulbs (gold LED, supplied) Very good general condition, on all the elements, we only noticed the absence of a single glass "bubble". This single lack is impossible to detect. H max 120 CM (H agglomerate +- 42 CM) X Diameter 68 CM. Estimated weight 35 kg. Assembly time 1 hour.
