Description

This elegant bronze sculpture captures the beauty and grace of ancient Greece, depicting a young girl in all her splendor. Created by renowned Italian sculptor Luigi de Luca (1857-1953), this timeless work of art is a unique piece that will surely be the focal point of any room. The figure features an exquisite black-colored patina that highlights the sculpture's minute details, from the delicate folds of the clothing to the soft, refined features of the face. Signed by Luigi de Luca himself, this work carries with it the prestige and artistic quality that characterize his work. The figure sits elegantly on a marble base, adding a touch of sophistication and stability. With dimensions of 40x21x17 cm and a height of the bronze alone of 30 cm, this sculpture is imposing enough to stand out in any space, but also
