Pair Of Antique Italian Bronze Busts: Dionysus And Ariadne, 19th Century

2 000 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

This exquisite pair of antique Italian bronze busts exemplifies the timeless charm of the Grand Tour era, featuring depictions of Dionysus and Ariadne inspired by the famous sculptor Clodion. Dating from the 19th century, these busts are a testament to the enduring fascination with classical mythology and art of that era. Each bust showcases finely cast solid bronze figures with a black patina, skillfully mounted on elegant marble bases adorned with gilded bronze mounts. The combination of materials and craftsmanship results in a stunning visual display that exudes sophistication and elegance. Produced using the traditional "lost wax" process, also known as the "lost wax" method, these bronze statues display exceptional attention to detail. Every contour and expression is meticulously rendered, capturing
