Description

This spectacular plaster sculpture, representing the majestic face of Zeus, is a true 19th century gem. Made in Italy during this era, it captures the imposing presence and divine power of the king of gods from Greek mythology. The sculpture, which features the face of Zeus with a powerful and serene expression, is mounted on a bronze base dating from the 17th century, adding an extra layer of authenticity and historical value to this work of art. With total dimensions of 90x30x30 cm, this sculpture is impressive in its size and presence. The face of Zeus alone measures 60x30x15 cm, highlighting the attention to detail and skill of the artist who created it. This piece is not only a testament to 19th century artistry, but also a statement of style and elegance. Its imposing presence makes it a focal
