

Large Painted Sheet Tray From The Napoleon 3 Period

220 EUR

Period : 19th century

Condition : Bon état

Material : Painted metal

Length : 74 cm

Width : 58 cm

Description

Large painted sheet metal tray from the Napoleon 3 period. It has a beautiful decoration, several shades of gold, stylized bouquets of foliage and flowers. It is in good original condition, with some signs of wear and use. I used a macro zoom to accentuate the defects. Shipping included for mainland France.
