

## Souvenir Desk Pad "villers Sur Mer" In Sycamore With Transfer Images From The 19th Century

200 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : 23 cm

Width : 15.5 cm

### Description

Made in Scotland in Mauchline in the 19th century, the sycamore souvenir objects with transfer images come from the same manufacturers as the Scottish clan objects that you may know, otherwise you can find them in my gallery. The sycamore objects with images, commonly called "transfers", could be ordered by souvenir shops throughout Europe, which is how this blotter souvenir from Villers sur Mer actually comes from Scotland.
