Description
-------------

Screen from the 19th century and Napoleon III style (1852-1870) with four leaves and two-sided decoration. It is made up of four adjustable honey-colored leaf panels, framed by a wooden frame and joined by hinges. Garlands of roses in embossed fabric placed and painted on the upper parts of the panels on one side. On the other, bouquets of composite flowers garnished with leaves and completed with small picturesque landscapes. Borders surrounded by bands with plant decorations and stripes in the country spirit. Width of each sheet 42 cm
