## Muller Vase From The 1st Period With Village Decor Against A Background Of A Maritime Landscap

680 EUR

Signature : Les frères Muller à Lunéville

Period : 20th century

Condition : Très bon état

Material : Glass

Height : 16 cm

Description
-------------

Muller vase in acid-etched multilayer glass from the 1st period circa 1900-1910. Rotating decoration representing a maritime landscape possibly the Gulf of Morbihan, its large pines, its boats and a fishing village with a villager in the foreground. Treated like a painting with the horizon line, a generous body on which the abundant decoration can be deployed, a nicely swollen collar... Very beautiful green, dark green colors on an opaline green and orange background denote this period of early manufacturing where the signature "Muller" alone was used (the signature "Muller Frères Lunéville" only arrived much later in the years 1923-1925 with the flower decorations). Signed "Muller" engraved as a cameo in the decoration. Height: 16 cm Weight: 400 g Very good
