## Christofle Tea/coffee Service Pearls

790 EUR

Period : 20th century

Condition : Bon état

Material : Silver metal

### Description

Charming Christofle tea and coffee service, Perles model, in silver metal. This service includes the 4 Christofle serving pieces and a silver metal tray (not Christofle) with a row of pearls. - teapot: height: 23.5 cm at the lid grip - coffee pot height: 27 cm at the lid grip - sugar bowl height: 16 cm at the lid grip - milk jug height at the spout: 12 cm Good condition for these 4 service pieces Christofle hallmark on the 4 pieces. I would like to point out that 1 rosette is missing from the handle of the milk jug (only on one side) and 1 rosette from the handle of the coffee maker (only on one side) this is purely decorative and in no way alters the solidity. The service is completed by a large serving tray with a row of silver-plated pearls (not Christofle). Dimensions: Length from handles to handles: 65
