Regional Necklace

160 EUR

Period : 19th century

Condition : Bon état

Material : Metal

Length : total :150 cm

Description

Very long necklace and very old; in matte gold metal. 19th century. Total length of the necklace: 150 cms. 3 glass hearts (blue/red/yellow) decorated on one side with crosses and on the other side with anchors, slightly faded. Surely a jewel of regional faith.
