Portrait Of Lady 18th

850 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Oil painting

Length : 66

Width : 52

Depth : 4

Description

Northern European in spirit, with a Protestant character, this lady, despite her severe appearance, is not austere. she hints at a slight smile, which makes this portrait pleasant. It will add a "haute epoch" touch to a world of raw wood, or in the middle of a white interior. Oil on canvas, re-canvased a long time ago. Very small repaints Without signature
