### Description

Pair of Gien Vases, Italian Renaissance  
Inspiration, 19th Century

A magnificent pair of vases from the famous Gien earthenware factory, reflecting the influence of the Italian Renaissance. These richly decorated pieces demonstrate an exceptional level of detail and artistic mastery. The vases are decorated with captivating mythological scenes, framed by floral motifs and decorative gold elements, characteristic of the majolica style. The handles are finely crafted, painted in an intense blue, adding to the majesty of each vase. The underside of each piece displays the stamp of the Gien factory, guaranteeing their authenticity and value. These vases not only represent a prestigious addition to any antique collection but also serve
