Description

Spectacular pair of large 19th century wall bas reliefs, signed Carrier Belleuse, representing allegories of the Arts and travel. Many themes are discussed: Music, painting, sculpture, literature and sciences, geography, maritime and naval themes. Very beautiful old cast iron in reliefs up to 10 cm, cooking defects visible on one of the plates, original patina and four hanging holes are visible, all facing each other with a beautiful decorative effect . Each plate approximately 88cm x 71 cm
