

Large Planter Or Sellette In Wrought Iron France, 1880 / 1900

1 800 EUR

Period : 19th century

Condition : Bon état

Material : Wrought iron

Diameter : 64 cm

Height : 86 cm

Description

Large wrought-iron jardinière or sellette, circa 1880/1900, from the casino garden at La Bourboule, spa town with belle époque charm in central France, on the banks of the Dordogne. Originally, it would have been fitted with a planter or supported a wooden or stone tray.

Six examples are available, all identical in size but with slightly different wrought-iron work.

Height: 86 cm (33.9 inches)

Diameter of the top (out of all, by excess): 52 cm (20.5 inches)

Diameter of the bottom (out of all, by excess): 64 cm (25.2 inches)
