Description

Large English Regency style revolving pedestal table, featuring a flamed mahogany surround with four opening drawers and four other trompe l'oeil drawers. The drawers have an expanded mahogany front and feature brass drop handles with rosette. This turntable rests on a pedestal with columnar base supported by four flared fluted legs with bronze leg caps on attached brass casters. This large drum table is topped with a circular mahogany top, dark with its original leather decorated with a golden sticker around its edge and cold stamp stickers. A rare piece of furniture with quality manufacturing, this large English pedestal table was used as a game table. It will seduce you with its bright colors and its elegance. ***** Period: 2nd half of the 19th century Waxed finish on hard base. Additional
