Description

Lalique France Crystal Cup

This magnificent crystal cup, the work of the prestigious house Lalique France, dates from the mid-20th century, making it a historic and collector's item. Bearing the signature "Lalique France", this cup illustrates the exclusivity and authenticity sought by collectors. The design of this bowl reflects the artistic genius of Lalique, characterized by timeless elegance and fine detail. The radial patterns and rich texture on the foot accentuate its beauty and refinement, typical of the Art Deco era. This cup is not just a decorative object; it is a true piece of glass art history. Perfect for lovers of art and historical pieces, this bowl from Lalique represents an investment in time and elegance, bringing a note of history and
