Description

Set of documentation on American Indians: 14 volumes in English (12 octavo and 2 quarto) from the "Archaeological Library of Bordeaux", certainly acquired during its dispersal by the previous owner. Very detailed documentation, he had obviously only selected the subjects which interested him... Let us judge: - "Handbook of American Indian languages part 1" Franz Boas Washington 1911 - "Handbook of the Indian of California" AL Kroeber Washington 1925 - "Ethnozoology of the Tewa indians" Henderson and Harrington Washington 1914 - "Handbook of Aboriginal american antiquities part 1" Holmes Washington 1919 - "The owl sacred pack of the Fox indians" Truman Michelson Washington 1921 - "Annual report of the Smithsonian Institution » Washington 1922 - "Chippewa

in publisher's buckram, in very good general
condition despite a few loose leaves, foxing and
wear to the caps, both photographic and drawn
illustrations, an incredible source of information
on the subject. Non-divisible whole. Do not
