800 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Diameter : 15

Height : 60

### Description

Set of 3 large black ebonized French Napoleon III candlesticks.

The turned candlesticks have an elegant silhouette the slightly higher base of 15cm diameter and 7cm height on 3 small round baroque feet forms the base. The conical, slender central base is inlaid at the bottom with a triple turned baluster stem and at the top with a turned plate as a subdivision and on a small baluster above it the slender and elongated candlestick stem.

The set of 3 candlesticks is elegant-rustic and very decorative.
