Description

MODERN ART-NEOPRIMITIVISM-CUBISM
ANTHROPOMORPHIC TERRACOTTA
SCULPTURE FRANCE 1940/1950

Cubist/neoprimitivist sculpture in patinated terracotta, very expressive. It depicts a rounded face/mask, eyes closed, looking pensive, meditative, introspective. It rests on a pedestal also in patinated terracotta. Multiple inspirations and influences for this figure in very good condition (marks, traces; see descriptive photos). Support and head are signed with the same CA monogram under the base. Weight: 353 grams.
