Description

Beautiful modern painting, oil on canvas signed lower left Carvin. "Metaphysical subjects are treated with the words of nature. This gap between feeling and its expression allows the artist to formulate an intimacy that it is necessary to dress in poetry. Veil of mist which rounds off all the cutting blades of the particular and thus achieves the universal stripped of its dross."

Annie Cardin, painter and lithographer, companion of the sculptor Claude Bogratchew.

Total dimensions: 65 cm x 54 cm
