Description

This 19th century watercolor was done by hand, we have not identified the signature. It has protective glass, the frame and surround are later, they are from the 20th century. Everything is decorative but not perfect. We note visible tape on the back, the work is slightly wavy, small spots at the top right, the bottom is slightly cut at an angle. Our photos allow you to appreciate the quality of the work. For the condition, please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description.
