Description

Diorama representing a model of a three-masted boat with three jibs.

We find a sea setting with waves and a blue lighthouse on a rock.

On the boat, several flags are present including that of England.

Good condition.

The structure is made of wood.

The sea part and the waves are made of metal.

There are 2 hooks on the back with a wire allowing you to hang the diorama on the wall.

There is a slight gap behind the lighthouse and some slight cracks in the sea which are not visible on an overall view.

20th century work.

Possibility of collection on site, or contact us for a possible shipment.
