### Description

Mirror in gilded wood with so-called "reserve" surround. It is decorated with protruding decorations, forming volutes and foliage, predominant in the corners. The mirror is topped with a generous openwork pediment. The central sculpture is a large acanthus leaf, accompanied by garlands of flowers. The mirror is original, The intermediate frame is also crafted, in proportion to its more modest size. A very decorative mirror, where a carved and openwork pediment and small dimensions are combined. Very early 19th century. Dimensions: Maximum length: 58 cm  
Maximum height: 81 cm
