

## Lunéville - Earthenware Dinette Service Street Lamp Model - 9 Pieces Of Platter

170 EUR

Period : 19th century

Condition : Bon état

Material : Earthenware

Description
-------------

Rare set of Lunéville earthenware serving dishes, with floral decoration which has become the emblem of this manufacture, the famous Réverbère model. These are scale models intended for children's games, identical to the pieces they would find on their parents' table. Late 19th century. Good general condition, some small chips
