### Description

Magnificent Chinese Screen in Black Lacquer and Mother-of-Pearl Inlays

Splendid Chinese screen, a true masterpiece of craftsmanship and refinement. Made up of four panels, this screen is superbly decorated with elaborate scenes of daily life and nature in the Chinese tradition, all made with high-quality black lacquer and delicate mother-of-pearl inlays. Each panel features figures in various activities within a typically oriental landscape, including pavilions, bridges, bamboos and mountains, depicting harmony and serenity. The mother-of-pearl work is exceptional, reflecting light and bringing each scene to life with magnificent depth and dimension. The border of each panel is finely decorated with golden

geometric patterns, adding a touch of elegance and luxury. The reverse of the screen is equally impressive, decorated with golden floral motifs on a black background, thus offering a double decorative function.

This screen is not just an element of interior decoration; it's a piece of history, carrying the charm and wisdom of the East into your space. It will perfectly suit a refined interior, whether modern or traditional, and will add a touch of exoticism and sophistication.

Dimensions: Height: 182 cm, Width (total): 180 cm

In excellent condition, this screen is ready to become the centerpiece of your living room, your office or any other space seeking to combine aesthetics and culture.
