Description

Sublime Pair of Art Nouveau Earthenware Vases

We are delighted to present this exceptional pair of earthenware vases, a perfect illustration of the Art Nouveau style with its organic curves and rich palette of colors. These unique pieces are distinguished by their magnificent floral relief decoration, tinted with pink, green and cream shades, offering an aesthetic that is both delicate and imposing. Each vase features an elegant, flared design, crowned with a delicately crafted neck imitating bouquet flower petals. The color work and the glossy finish highlight the plant and organic motifs typical of the Art Nouveau era. These vases are not only exceptional art objects, but also witnesses to the craftsmanship and artistic history of the early 20th century. They
