Oil Painting On Canvas - Late 19th Century

2 600 EUR

Period : 19th century

Condition : Parfait état

Material : Oil painting

Width : 63.5

Height : 51

Depth : 8

Description

Oil painting on canvas representing an undergrowth on the banks of a river. The latter is crossed by an arched bridge. This green landscape echoes the richness of our green countryside. This painted panel is embellished by a gilded wood frame carved with acanthus leaves and other foliage. The author's signature, erased by the ravages of time, is present in the bottom right corner of the work. This painting will particularly appeal to lovers of bucolic art.

***** Period: Late 19th Century Excellent condition. Additional photos available by clicking on the following link:
