Description
-------------

FOLK ART

18th century

Annular glass gourd lightly grey to pink tinted.

The widely hemmed rim made it possible to close the bottle with a simple leather or fabric, secured by a link (rope or leather lace), while the central hole -made hot immediately after blowing the shape, made it possible to insert a leather or rope loop, for easy transport of the bottle.

3 relief ribbed vertical lines on each side for a very simple decoration.

Nice folk art object item, from 18th cty rural way of life, simple and having survived centuries without accident !
