

18th Century Bidet In Walnut

480 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Description

18th century bidet in mahogany-tinted walnut. The chair rests on arched legs and the upper part of the back, upholstered in leather, opens onto a perfume box. The seat is topped with a removable cover. Elegant small bidet trimmed with leather, from the 18th century in mahogany-tinted walnut and leather. Violin shaped, it rests on four molded legs. The removable seat made it possible to hide the basin, here missing. The backrest is lined with a sheet of leather and a lid that lifts at the top, revealing three small niches, one of which is secret. Good general condition for this original chair
