

## Cast Iron Wall Plaque. Scene At The Antique. End Of The 19th Century

215 EUR

Period : 19th century

Condition : Très bon état

Material : Cast iron

Diameter : 29 cm

### Description

Interesting decorative cast iron wall plaque. Like the obverses and reverses of the first known coins (Lydia then Greek world), our plaque represents a "revisited" ancient scene. Different elements taking up traditional iconography coexist: a winged goddess (Greco-Roman type) seems to "protect" a couple whose pause and pace are reminiscent of Adam and Eve (biblical characters from Genesis) in a luxuriant nature of 'before the "fault" .... Very decorative. End of the 19th century.
