Description

A painted enameled terracotta...

From the 1900s...

Production: FRENCH... (perhaps from
MONTEREAU or L'ISLE ADAM...

Representing an elf or for me a little chimney
sweep... Two accidents, with lack of material (see
photos)... Which can of course be restored...

But even so it's not annoying...

And some usual wear to the colors...

The subject is nice...

A subject for a smoker, with the scraper (on the
terrace) the match holder (the hood) the burnt
match holder (the basket) and the biggest pot for
cigarettes and (or) cigars...

Weight... 1 kilo 193 gr
