sometimes heavy objects. They slide perfectly.

The back of the dresser has solid wood panels so very resistant.

The called locks « wire » are discreet and do not protrude from the surface. They are made of brass. A lock has its own key and is in working condition, the other keys were designed after the furniture.

The dresser is perfectly stable. It rests on low legs that respect the shape of the furniture at the front and are called «feet à patin» and two straight feet at the back.

The top of the dresser is a solid walnut top.
