Description

Pair of large mirrors with frames covered in brass, 20th century" Pair of large models of mirrors from a perfumery with frames covered in brass having retained their original mirrors. Period mid-20th century State of conservation: Surface oxidation on the brass without scratches or deformation with only a few traces of use Note: originally, the two mirrors were hung in a perfumery in Florence. I still have 4 pairs of mirrors in different sizes. Indeed, the whole decorated the walls of an old perfumery in Florence. Additional photos on request. Dimensions: Height 127cm Width 56cm
