Description

Immerse yourself in the timeless beauty of this magnificent bronze sculpture depicting the "Winged Victory" of the Grand Tour era. This exquisite work captures the essence of classical art and history, evoking the grandeur of ancient Rome. The work of famous sculptor Mario Rutelli (1859-1941), this sculpture depicts the iconic Winged Victory which stands proudly on the column in front of the Monument to Vittorio Emanuele II in Rome. The figure is depicted standing on an integral sphere, symbolizing triumph and victory. Measuring 80x40x40 cm, this impressive sculpture attracts attention and admiration. It is mounted on a luxurious green marble base, adding to its elegance and grandeur. Whether displayed in a grand hall, an elegant living room or a prestigious office, this bronze
