Philippe LEDRU (born in 1942), French

Cannes Film Festival. Original silver print by  
Philippe Ledru, captioned on the back. Funny  
scene taken during the filming of "Mariage" in  
1974 with actress Bulle Ogier. The director,  
known for his improvisation and his close-ups,  
plays with the photographer by filming him at his  
expense, as a participant in the scene.
