2 900 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 35,8 cm

Height : 50 cm

Depth : 13 cm

Description

Chiseled and gilded bronze pendulum representing Ancient Minerva, helmeted, leaning on a stick with laurel leaves and on the other side a cornucopia. It is presented next to a terminal with a dial with a white enameled rim decorated with a Roman temple with columns. The whole is supported by a rectangular base with two medallions of a woman's profile, joined by a laurel wreath with the attributes of the Arts. Heart-shaped edge on four scrolled feet. Clock with all its original gilding, it just has a few alterations on the back and sides of the clock, visible in the photos. This clock bears the Hartmann signature in Paris. Watchmaker listed. Clock from the early Restoration period. It works perfectly, it has been completely cleaned and serviced by our watchmaker, it will be delivered
