Description

Important representation of a woman, sheet music in her hands, and her music teacher, wearing a feathered hat. Work dating from the mid-19th century, evoking the Troubadour style in vogue at the time, and in which one can especially detect Caravaggesque influences. Large format: height 103 cm - width 87 cm. The canvas was enlarged on the sides, and subsequently re-canvased. Lack of pictorial material in the lower right corner. The subject remains pleasant and extremely decorative.
