Description

COD 9063French bureau from the mid-20th century. Moved and rounded furniture inlaid with floral decorations in rosewood, maple, walnut, cherry and fruitwood. Bureau equipped with two external drawers of excellent capacity. Interior of the fall-front complete with four drawers, large central compartment for documents and writing desk covered in faux leather inlaid with some signs of wear. Furniture of great quality and elegance, ideal for use in a living room or studio. Bureau adorned with handles, vents and friezes in gilded and chiseled bronze (see photo). Without a key, it shows some signs of aging, structurally sound, overall in a good state of conservation.As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation.
