Important Lot Of 19th Lace.

650 EUR

Period : 19th century

Condition : Très bon état

Material : Linen

Description

Very large batch of black lace in coupons of great length and height for the most part. I don't know the field of old lace very well but there seems to be a lot of Chantilly and this lot comes from a house in Bayeux. Bobbin technique, lace etc.... the dimensions indicated are very close to reality. Everything is kept in an old wooden box covered with blue paper as is. Some coupons were not measured. An interesting lot full of charm!
