Description

Set of 4 coffee cups, decorated with pink lotus flowers and gold threads. Paris porcelain, the 4 pieces are signed "Dagoty Paris" under the cup. That mark was used until 1804 (date of imperial approval). Empire Consulate Period.

Dagoty factory is one of the most prestigious porcelain factories active in Paris under the Empire and the Restoration at the beginning of the 19th century. Empress Joséphine crowned the company by granting it the coveted title of "Manufacture of HM the Empress", then that of "Manufacture of HRH Madame the Duchess of Angoulême. PL Dagoty" (from 1815 to 1820).

excellent condition, no accident, légères usures de dorure sur la soucoupe.
