

Pedestal Torchere Holder Beautiful Model

700 EUR

Period : 18th century

Condition : Très bon état

Material : Walnut

Description

Beautiful torchiere table from the beginning of the 18th century, in double-twisted walnut and blackened rings with beaded decoration. The top covered in green velvet, and the circular base resting on three small original ball feet. Unusual model, in very good condition and with a superb patina. Ideal for presenting a beautiful object, or a candelabra for example.
