Baccarat Crystal Jardiniere / Table Centerpiece, Blue Overlay Crystal

400 EUR

Signature : Baccarat

Period : 19th century

Condition : Très bon état

Material : Crystal

Description

Baccarat crystal planter bowl, blue overlay crystal. This one belongs to the very top category of Baccarat productions listed in some of early 20th century catalogs. The highly complex cut decoration and the perfect execution shows Baccarat's technical supremacy over others crystal manufacturers.

Our item is known as overlay crystal since the surface is covered with a thin green crystal layer - once cut, it shows the white layer by transparency. Beautiful collector, rare model. Old production not signed but registered in catalogs

Beautiful collector's item, it is in very good condition: clear crystal, no white veil, no shine, some traces of friction underneath.
