Alessi Placemat Girotondo Italian Design

120 EUR

Period : 20th century

Condition : Bon état

Material : Metal

Description

Alessi designer stainless steel placemat, Girotondo model (Italian design 1990). This set includes: - a breadstick pot Height: 15 cm Ø: 9 cm - 2 trivets Ø: 17.5 cm Good condition, beautiful shine, micro scratches from use. A fun and trendy set. Girotondo The little men of the King-Kong duo, an icon evoking the vein of playful design based on the use of "affective codes", to the point of being one of the most cited examples, have appeared on objects belonging to the oldest tradition of Alessi, such as trays and baskets, to then multiply, invading and conquering other decorative elements, not only reserved for the kitchen and the table.
