

Wakizashi

2 500 EUR

Period : 16th century

Condition : Restauré

Material : Other

Description

Wakizashi with a shortened Naginata blade.
Recently polished blade. It dates from the
Muromachi period, around 1550. The handle is
made of carved wood, which makes it an
interesting feature. Black lacquered scabbard
covered with green mother-of-pearl flakes with
silver cherry blossom inlay. Scabbard as is.
38.5cm Nagasa
