Description

19th Century Metal and Murano Glass Pendant

This majestic pendant light with its bronze structure and Murano glass panels is an exceptional piece that emanates from the rich artistic heritage of the 19th century. Measuring 86 cm in height and 20 cm in diameter, its slender silhouette is decorated with delicate bronze motifs, enhancing the blown glass globes which diffuse a soft and warm light. Every detail of this work speaks of the skill of Murano's master glassmakers and bronze artisans, offering a historic elegance that will enrich any interior.

This pendant light is not just a lighting fixture, it is a work of art that tells a story of creativity and old-world luxury.
