Description

Beautiful round vase in glazed ceramic, with bronze reflections and decorations with splashes of sea green colour. The vase also has a rounded and slightly everted rim and a ring-shaped bottom. The "M. C. A." brand, visible on the bottom, is associated with the manufacture of Albissola Marina (Liguria), of the designer Giuseppe Marzotti known as Bausin, and makes this object truly unique and precious. The work is dated around the 1930s, corresponding to the period of Bausin's initial activity. Finally, this vase is a design object that brings with it elegance and innovation, perfect for enriching any environment with style.
