Description

Let yourself be charmed by this pair of bronze candelabra, dating from the 19th century, a treasure of yesteryear craftsmanship.

With dimensions of 36 cm in height, 27 cm in width and 21 cm in depth, these art objects are both imposing and delicate. Bronze, a noble and timeless material, has been carefully worked to give life to these five-branched candelabra, revealing remarkable condition for their age. The golden patina radiates a warm shine, promising to bring a touch of elegance and history to a contemporary or classic interior.

In excellent condition, these candelabra are ready to take their place in a home where they will be appreciated at their true value.
