Description

19th Century Cast Iron Fireplace Set with Classic Designs

This cast iron fireplace set, dating from the 19th century, is a true testimony to the splendor of yesteryear's craftsmanship. The rear panel, measuring 53 cm in height and 54 cm in width, features a pastoral bas-relief rich in Rococo influences--voluptuous lines, intricate foliage, and a serene figure at its center. The matching andirons, measuring 35cm high, 10cm wide and 8cm deep, display elegant busts inspired by classical statuary, adding a noble presence to any home.

This set has survived the ages while retaining all its beauty, promising to be a focal point in any
